

BOUCHER INSTITUTE POLICY

Policy Title: Access to BINM Student Body by Nutraceutical Companies

Date of Initial Board Approval: March 5, 2007

Date of Last Approved Revision: May 2nd, 2011

**Person(s) Responsible for Implementation & Adherence: Chief
Development Officer**

**Related Procedures: Procedure for Contract Renewal; Procedure for
Signing Sponsors; Brochure for Sponsorship Program**

The sponsorship by any supplier will in no way compromise the Boucher policy for academic freedom. Approved companies interested in having a closer relationship with the Boucher Institute as well as its student body, faculty and clinic supervisors, will have access to the Institute according to procedures and programs established by the Development department.

Part of the proceeds generated by the various levels of involvement by nutraceutical supporters will be directed towards offering scholarships and bursaries to students. The Board will determine the percentage to be used for this purpose
