

**BOUCHER INSTITUTE
POLICY**

Policy: Institutional Control of Research
Date of Initial Board Approval: July 7, 2008
Date of Last Approved Revision: May 2nd, 2011
Person(s) Responsible for Implementation & Adherence: Director of Research
Related Procedures: TBD

The Boucher Institute is committed to intellectual property policies and practices that promote authorial and institutional control of scholarly assets, including research conducted in collaboration and/or partnership with other institutions. Policies and protocols will be developed to ensure necessary safeguards are in place to provide the Institute with full control of all research conducted at the Boucher Institute and with the appropriate share of control in collaborative efforts.
