

Student Budget Worksheet

Name of Applicant: _____

Application for Four Year Program Commencing: _____

Instructions: Fill in each of the tables with your approximation of reasonable expenses and projected income/support for the 48 month duration of the program at the Institute. Please attach this form to your application. Calculate your living expenses on a per month basis then multiply your monthly estimates by 48 months to derive your total living expenses (be sure to include any expenses during the breaks between terms).
